## NEW! ReadnQuiz

**Who:** Students in grades 1<sup>st</sup>-5<sup>th</sup> grade

# ReadnQuiz™

**What:** In place of Accelerated Reader this year we are using a new reading incentive program called ReadnQuiz. This is a voluntary reading program that students can choose to participate in. While ReadnQuiz is a smaller version of Accelerated Reader, the idea is the same, with the main goal being that students are reading for pleasure!

**How:** After reading, students can search the ReadnQuiz website to see if there is a reading comprehension quiz associated with the book. After successfully passing a quiz, students will earn points. As points are earned students will move between points clubs (10 point club – 20 point club – 50 point club – 75 point club – 100 point club – 500 point club).

**When:** Students are allowed to take ReadnQuiz quizzes during library time and in the classroom with their teacher's permission. The library is also open after school on Tuesday and Thursdays for students to take quizzes as well.

**Rewards:** After the pleasure of reading a good book, students will be rewarded with point club number tokens, recognition on point club bulletin boards in the library and in the newsletter as well as an end of the year certificate and small treat.

Visit this site for more information on ReadnQuiz: <http://www.readnquiz.com/index.aspx>

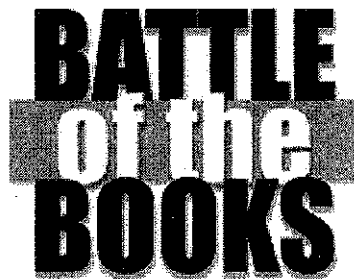

**NEW! Battle of the Books** (6<sup>th</sup> - 8<sup>th</sup> grade)

We have the geography and the spelling bee – now we have a reading bee! We are excited

for many middle school students to be competing in Battle of the Books! Students are broken down

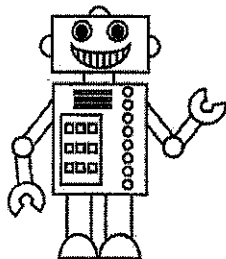

into “battle teams” and each team is challenged to read a number of books from a book list.

While reading, students will keep a journal of important facts and events. On the “battle day” teams compete against each other to answer questions about their reading. Points are earned and teams advance by earning the highest number of points. Battles continue until one team is left standing! Teams will begin battling during Catholic schools week (January) with the final battle on Wednesday, February 4<sup>th</sup>.

**R.O.B.O.T.**

Please remember to keep bringing your library books back on the day they are due! Remember R.O.B.O.T.

Return  
Our  
Books  
On  
Time

Each week an entire class returns all of their books on time, the class will receive a sticker on the R.O.B.O.T. chart. After a class receives 5 stickers, a very prestigious and honorable traveling award – the “Golden Book Award” – will be placed on their classroom door for all to see! That is until another class earns the same right and the Golden Book Award travels to their door. The competition has begun to see which class will bring all of their books back on time 5 times first!
