

**ST. SEBASTIAN SCHOOL
PRIORITY ADMISSION POLICY**

In the admission of students to St. Sebastian School, the following priority system will be utilized:

- During the first and second week of the registration period (typically the two weeks following the Open House in late January), applications will be accepted only from currently enrolled students.

- During the third and fourth week of the registration period, applications will continue to be accepted from current students, as well as for all new students from the community at large. At the close of the second two weeks of the registration period, applications will be prioritized for admission based on the following:
 1. Currently enrolled students
 2. Siblings of parish families with students enrolled during the priority period
 3. Children of parish families
 4. Siblings of non-parish families enrolled during the priority period for currently enrolled students.
 5. Children of other Catholic parishes
 6. All other applicants based on the date the application was received.

In the event a grade level meets the stated enrollment maximum, a waiting list will be created. Children on the waiting list will be prioritized for admission using the same priorities listed above.
