

What must I do to comply with Safeguard All of God's Family requirements:

Priests, parish directors, deacons, DREs, DYMs, school and parish staff, archdiocesan central office staff, and other paid and unpaid Church employees who have any contact with children or youth:

- You will read and sign the Code of Ethical Standards and read the Mandatory Reporting Statement.
- A criminal background check will be completed. (If you are a diocesan priest, these documents will be filed with the Chancery Office; for all others, they will be filed at your parish or school.)
- You will participate in a Safe Environment Education session.

1. Safe Environment Education Session

Individuals will go to the Safeguarding All of God's Family site (<http://www.archmil.org/offices/safeguarding.htm>) - select the register button to complete a brief form and choose a SEE session to attend.

2. Background checks

Background checks will be completed by the parish or school at which you will be employed.

3. Code of Ethical Standards and Mandatory Reporting Responsibilities

Copies of these documents can be found on the Safeguarding All of God's Family site, please read the document, print off the signature and turn the signed page to your principal.
