

Home & School Grade Liaison

The St. Sebastian Home & School Association serves the students, staff and families of St. Sebastian School through fundraising, academic and social programming. These functions are carried out through the efforts of parents who volunteer their time and talent for the students.

All parents are members of the St. Sebastian Home and School Association. However, there are also special roles within the Home & School, including the executive board and the grade liaisons. The grade liaisons serve as a link between the class parents whom they represent, and the executive board. ***The grade liaisons are instrumental in the recruitment of volunteers and the support of Home & School activities.***

Grade Liaison

- Attend monthly Home & School meetings
- Assist with filling class Fish Fry volunteer slots
- Help identify volunteers for Home & School events
- Assist with mentoring new families
- Supported by Home & School Communications & Hospitality Coordinator

vs.

Room Parent

- Arrange for any class parties
- Arrange for class teacher gifts
- Assist with needs specific to the classroom
