Dear Parents and Families:

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in your home. Update this collection routinely to keep pace with changing tastes and reading skills.
- **Support our school's Book Fair. Allow your children to choose their own books to read.**

Our Scholastic Book Fair is a reading event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child's reading habits.

Book Fair Dates: Tuesday, May 3rd – Friday, May 6th
Open during the Fish Fry on Friday!

If you are unable to attend the Fair in person, we invite you to visit our online Book Fair at scholastic.com/fair.

We look forward to seeing you and your family at our Book Fair! Remember, all purchases benefit our school.

Mass/April 20th

John 4:7-10 God showed his love for us when he sent his only Son into the world to give us life.

Recipe suggestion for this week is Italian Easter Bread. This light, fluffy and sweet bread was often served on Easter morning.

Ingredients

3 cups all-purpose flour, divided

¼ cup white sugar

1 teaspoon salt

1 (.25 oz.) package rapid rise yeast

2/3 cup milk

1 teaspoon anise extract

2 tablespoons butter (room temperature)

2 eggs

1 egg, beaten

½ tablespoon colored candy decorating sprinkles

1. Mix 1 cup flour with sugar, salt and yeast in a bowl and stir well. Place milk and anise extract into a small saucepan over low heat and warm to about 110 degrees. Make a well in the center of the flour mixture and pour in milk/anise mixture. Stir the flour and milk mixture in a circular motion. Mix in butter and eggs one at a time, then mix remaining flour until dough begins to pull together.
2. Turn dough onto a floured work surface and knead until soft but elastic (about 8 minutes). Cover with a damp cloth and allow dough to rest for 10 minutes; cut dough into halves.
3. On floured work surface roll each half into a ball, then shape each into 2 long pieces about 1 ½ inches thick and 18 to 20 inches long. Pinch the 2 top ends together and loosely twist the pieces to form a twisted loaf. Pinch the bottom ends together and tuck the two ends underneath the loaf. (Alternately, form the twist into a ring and pinch the ends together.)
4. Grease a baking sheet and lay the loaf onto to the prepared sheet, cover with a damp towel. Let rise until doubled, about 1 hour. Brush loaf with beaten egg and sprinkle with colored decorating sprinkles.
5. Preheat oven to 350°. Bake the loaf until golden brown, 20 to 25 minutes. Watch closely towards the end of baking time that bread does not begin to burn. Transfer to rack immediately and cool.
