Announcing the first ALL SCHOOL CAR WASH benefit for THE KAYSER FAMILY

Students and parents are invited to volunteer for the first multi-grade car wash! This will be open to grades 5-8, and students / parents must sign up on the portal (parents there are limited spots). If you have worked as a Fry Kid, you will have no problems – it is the same application. Just add your children or yourself to the event.

<https://stseb.datapropeller.com/ParticipantPortal/Index>

This car wash will be held May 28th at Greiten's Auto on Hawley and Bluemound. There will be two shifts available to work 9:00-12:30 and 12:30 – 4:00pm. **This is Memorial Day weekend – please only signup if available.** If you sign up for both shifts, bring lunch. All workers need a water bottle and sunblock. It can be a wet event, so phones and iPods need to be in a bag, protected, and out of sight.

Just as we do with the Fry Kids – 8th grade parents (Hardy / Kozina / Sherer / Sobczak) will be there early to start setup, and Mr. Sobczak will explain the rules and expectations for the day. **Safety is paramount.** Running, horseplay, foul language, or disrespect **will NOT be tolerated.** Kids wash, dry, handle signage, and take shifts in duties. Adults run hoses, ensure buckets and soap are adequate, and handle all money. We will also have a donation "fill the bucket" campaign at the car wash.

The 8th Grade parents are organizing this event. If you have any questions please contact Jeff Sobczak via email at jsobczak@kapur-assoc.com.

We hope to see all families in town at this event. Please share the posts you see on Facebook.

Places to Look for Lost Library Books

First things first, try to remember what the book/s looked like:

How big was it? What color? Was it thick or thin?

What do you remember about the cover?

Is it hardcover or paperback?

If you're not sure, ask the librarian, maybe s/he can remember. Also, keep in mind, all library books have spine labels, barcode labels and library labels so that they stand out.

So, where was the last place you remember having the book?

Here's a list of actual places where kids from all over the US have found their missing books. Even if you don't find yours in of these suggested locations, it might help you think of other areas to search.
