

# **FASTPITCH SOFTBALL SIGN UP NOW FOR THIS SUMMER!!**

Tosa Fastpitch (TFP) provides the opportunity for girls between the ages of 7-15 from the Wauwatosa, Milwaukee or surrounding areas to play fastpitch softball in an organized recreational venue. Whether your daughter is brand new to softball or is looking to continue working on her skills, TFP is the perfect environment for her. Your daughter will learn the fundamentals of softball in a positive and fun environment that emphasizes sportsmanship between players, coaches, umpires and families. We encourage a competitive level that's age appropriate where we emphasize fundamental skills, effort and teamwork. We recognize that children develop athletic abilities at varying ages and we ensure that all players see even playing time and have the chance to try different positions to determine where they have the best chance to excel. There is no better experience you can give your daughter!

Our website is: <http://www.teamsideline.com/sites/tosabaseball/home>
