

Attention Forensic students and PARENTS

Forensic practice begins next week—the week of January 15. You may rehearse any day after school in the downstairs Learning Center. Remember, you need to rehearse in front of 3 different adults before your first tournament and then 2 times a week before each tournament. Before your first tournament, you MUST rehearse with either Mrs. Kirkpatrick, Mr. Russell, or Mrs. Higgins. Be sure to rehearse in front of your parents, too.

Adults available for rehearsal after school are:

Mrs. Kirkpatrick—Monday, Wednesday, and Friday

Mrs. Higgins—Tuesday

Mr. Russell—Thursday

Mrs. Luke (in her room)—Monday, Tuesday, Thursday

Mrs. Canapa—by appointment only

THERE WILL BE A JUDGES' TRAINING SESSION FOR ALL NEW JUDGES on Monday, January 23 from 7:00-8:30p.m. in the teachers' lounge.

If you are interested in being a judge and have not had the training, please be sure to come Monday or contact Kathy Kirkpatrick to make other training arrangements. If you have already been trained, please turn in your schedule immediately so that you can be assigned to tournaments. All judges must be registered EACH year and the training must be verified before you are allowed to judge, so Kathy needs your schedules right away. You also must have completed the Safeguarding God's Family program. Please be sure to hand in your car insurance forms before you drive to a tournament. Contact Kathy Kirkpatrick (414-774-6963) with questions.
