

ReadnQuiz Information

Readers are Leaders

Reading Incentive Program for students in grades 1st-5th

If your child is in grades 1st-5th, PLEASE READ

What is it?!

ReadnQuiz is a reading incentive program sponsored by Home and School and organized by the library. Students in grades 1st-5th are encouraged to read for pleasure and take reading comprehension quizzes on their reading. As students successfully pass quizzes, they earn points and are recognized for meeting point milestones.

When can students quiz on books?

We hope students will have the opportunity to quiz on books in their classroom as well as when they visit the library. **We are allowing students to quiz on books at home also.** We want students to not be limited with this *fun, incentive* program and we all know how busy the school day can be. Please reinforce the rules listed below when your child(ren) quiz on books from home.

Rules about taking quizzes:

- Students should select a book that is appropriate. They can use the “5 finger rule” when selecting a book which is taught in the library or use their lexile reading range.
- Students should read the entire book.
- Students should NOT use the book when taking the quiz.
- Students should work independently when taking a quiz.
- Retakes on quizzes are allowed however a day waiting period is required so students can review the book again.

How will students be recognized?

The library will recognize students with Points Clubs. Each book has a number of points associated with it (ex: Cat in the Hat is 2 points; Harry Potter and the Sorcerer’s Stone is 16 points). As students successfully pass quizzes, they will accumulate points. Students will strive to attain certain point milestones throughout the year:

-
- 5 points
- 10 points
- 25 points
- 50 points
- 75 points
- 100 points
- Super Reader (500 + points)

As students reach a milestone they will receive recognition in the library, a number charm to add to a bookmark, name in the school newsletter, and certificate at the end of the year. Points will carry over each school year.
