

Team 1732 Hilltopper Robotics

Design-a-Robot Poster Contest

Open to students in grades 1 through 5.

Imagine that you are an astronaut traveling in a spaceship to Mars.

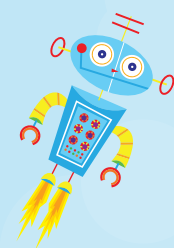

Invent a robot that would assist you on the way or help you survive when you arrive.

On a 2019 Poster Contest Entry Form, illustrate your robot and provide an explanation of what it does.

PRIZES

Five winners will be chosen from all entries received. Each winner will:

- Become an honorary member of Team 1732.
- Get a guided tour of the team's robotics workshop at Marquette University High School on Saturday, April 13, 2019.
- Receive an official team t-shirt.
- Have lunch with the team.
- Get a chance to drive a robot.

CONTEST RULES

- Contest is open to students in grades 1 through 5.
- Poster must be created on a 2019 Poster Contest Entry Form printed on white 8½" x 11" paper.
- Entrant's name, school and grade must be printed on the back of the poster.
- Entries must be postmarked by March 25, 2019 and mailed to Marquette University High School, Attn: Team 1732 Hilltopper Robotics, 3401 W. Wisconsin Ave., Milwaukee, WI 53208.
- Winners will be notified by Thursday, April 4, 2019.
- Winning posters will be selected based on creativity, originality, and detail.

Team 1732 Hilltopper Robotics

Design-a-Robot 2019 Poster Contest Entry Form

What is your robot's name? _____

How does your robot assist you on the way to Mars or help you survive there? _____

Draw your robot in this box.

Don't forget to print your name, school and grade on the back.
