

St. Sebastian students I challenge YOU to send a photo this summer of you **READING!** On the beach (careful for the waves!) - on a swing - in your backyard - around a campfire (careful for the flames!) - in your favorite sunny spot... **WHEREVER!** Let me know what you are reading and why you are enjoying it too - maybe it will help someone else find a great book to pick-up this summer!

And remember, summer reading is all about reading for **ENJOYMENT!** Find a book of jokes for a long car ride - a scary story for around the campfire - a good mystery to read under the covers! Reading can also happen anywhere from the back of the cereal box at breakfast to reading the recipe while making your favorite summer food. I can't wait to see how and what you read this summer!

**Send your picture to Mrs. Rebholz's school email at [srebholz@saintsebs.org](mailto:srebholz@saintsebs.org).**

Photos will be posted on the library website so make sure to check the website regularly to see what everyone is reading!

**Library Website:**
